

# RICHMOND DENTAL & MEDICAL

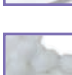

# Richmond Dental & Medical

*was established in 1895 by Dr. Albert Richmond, making the company one of the most experienced manufacturers of single-use dental products and dispensers. When we merged with cotton provider Barnhardt Manufacturing Company in 1947, we became vertically integrated with the supplier of the raw material for our products. The result is that we can exercise exceptional quality control from the very start of the manufacturing process. Our long experience in making dental products has given Richmond Dental & Medical unsurpassed expertise.*

# An Evolution In Patient Comfort

*Over the years, Richmond*

*Dental & Medical has continually*

*provided the highest quality*

*Braided Cotton Roll; this superb*

*product has become the preferred*

*choice of dental professionals. Our*

*attention to creating the best dental*

*roll has resulted in a product with*

*superior absorbency, flexibility*

*and comfort.*

- Rolls are braided with silky yarn; absence of chemicals prevents the roll from sticking to mucosa, which means ultimate comfort for dental patients
- Unique wicking action provides a drier field and outstanding durability
- Innovative flexible design for a secure fit into the buccal curvature and the sublingual space
- Available in small, medium and large diameters in the following sizes: 3/4", 1 1/2", 4" and 6"
- Durable infection control roll dispensers are available; they are fully autoclavable and will keep rolls sterile until use; they are available in blue and white
- Made in USA

# There is Comfort in Value...

*Our Wrapped Rolls are a great, reliable alternative among dental rolls. Their soft, non-woven absorbent casing contains no starch which means they will not stick to mucosa. Absence of starch*

*means no discomfort for patients.*

- 100% cotton interior
- Wrapped in non-woven fabric
- Rolls are sealed with an adhesive approved by the FDA
- Starch-free, so they will not stick to mucosa
- Available in 1 1/2" Sterile and Non-sterile
- Durable infection control roll dispensers available; they are fully autoclavable and will keep rolls sterile until use; available in blue and white
- Made in USA

## WRAPPED ROLLS

# Ultimate Performance MultiPly™

*Richmond Dental & Medical*

*MultiPly™ Rayon/Poly Non-Woven*

*Sponges are made of 8 plys or*

*layers. These additional layers*

*provide twice the absorption of*

*traditional sponges.*

- Twice as absorbent as gauze, exodontia, or 4-ply non-woven sponges
- Maintains dry surface
- 8 plys (layers) provide thickness perfect for bite pressure
- Lint-free, eliminates the need to remove loose threads
- Perfect for oral surgery and peridontic applications
- Available 2x2 and 4x4, to meet a variety of needs
- Autoclavable, leak proof dispensers available for 2x2 and 4x4 sizes, and come in two colors: blue and white
- 2x2 MultiPly™ sponges are also available in pre-sterilized SteriPocket™. These sponges are pre-packaged sterile sponges and are ideal to distribute to patients after extractions.

## MULTIPLY™

All products must be ordered in full case quantities. Please contact Richmond Dental customer service for information about quantity discounts and product category discounts.

# Truly Absorbing Material

*The 100% Cotton Non-Woven Sponge is the perfect general use*

*sponge combining the most desirable characteristics of sponges into one product. It features a smooth, textured surface that provides exceptional patient comfort and maximum absorbency. This sponge is also lint-free, so no fibers are left in your patient's mouth.*

- General purpose
- Most absorbent non-woven sponge available
- Lint-free so no fibers are left in your patient's mouth
- All-natural and biodegradable
- Handkerchief folded
- Available in 2x2, 3x3, and 4x4
- Larger sizes are ideal for surface and instrument cleaning
- Autoclavable, leakproof dispensers are available for 2x2 and 4x4 sizes; they come in blue and white

## NON-WOVEN COTTON SPONGES

All products must be ordered in full case quantities. Please contact Richmond Dental customer service for information about quantity discounts and product category discounts.

# Non-Woven — Value

*Richmond Dental & Medical's Non-Woven*

*Rayon/Poly Sponges are an economical and lint-free alternative. They will not leave fibers in dental work, nor will they leave lint residue on instruments when used for cleaning.*

- Absorbent
- Perfect for wipes
- Great for disinfecting or cleaning instruments
- Handkerchief folded
- Available in 2x2, 3x3, and 4x4
- Autoclavable, leakproof dispensers are available for 2x2 and 4x4 sizes; they come in blue and white

## NON-WOVEN POLY/RAYON SPONGES

CODE	PRODUCT	DESCRIPTION	PACKAGING	CASE COUNT
300634	2x2	Non-sterile - Rayon/Poly	200 sponges/sleeve	25 slvs

300113	4x4 Sponge Dispenser	White - Leakproof	1 Dispenser	N/A

All products must be ordered in full case quantities. Please contact Richmond Dental customer service for information about quantity discounts and product category discounts.

# Simple Yet Effective

*Proof that a product that works well can also be simple and inexpensive. All Gauze Sponges have a loose weave, giving them a textured, cheesecloth-like appearance and a slightly abrasive surface, which means they provide a good grip. These sponges can be confidently used in a wide variety of applications.*

- Available in 2x2, 3x3, and 4x4 in 12-ply; and 2x2 and 4x4 in 8-ply
- 200 sponges per sleeve
- Autoclavable, leakproof dispensers are available for 2x2 and 4x4 sizes; they come in blue and white

## ALL GAUZE SPONGES

CODE	PRODUCT	DESCRIPTION	PACKAGING	CASE COUNT
300420	2x2	All-gauze 12-ply - Non-sterile	200 sponges/sleeve	25 slvs/case
300430	2x2	All-gauze 8-ply - Non-sterile	200 sponges/sleeve	25 slvs/case
300421	3x3	All-gauze 12-ply - Non-sterile	200 sponges/sleeve	20 slvs/case
300422	4x4	All-gauze 8-ply - Non-sterile	200 sponges/sleeve	20 slvs/case
300423	4x4	All-gauze 12-ply - Non-sterile	200 sponges/sleeve	10 slvs/case
300101	2x2 Sponge Dispenser	Blue - Leakproof	1 Dispenser	N/A
300103	2x2 Sponge Dispenser	White - Leakproof	1 Dispenser	N/A
300111	4x4 Sponge Dispenser	Blue - Leakproof	1 Dispenser	N/A
300113	4x4 Sponge Dispenser	White - Leakproof	1 Dispenser	N/A

All products must be ordered in full case quantities. Please contact Richmond Dental customer service for information about quantity discounts and product category discounts.

# Tough On The Outside, Soft On The Inside

*This variety of sponge looks similar to the all-gauze variety with its cheesecloth-like outer layer, but it contains a layer of pure cotton on the inside. This provides extra absorbency, as well as additional patient comfort. The cotton-filled sponge is dentists' traditional, reliable choice.*

- All gauze with an inner layer of 100% cotton
- Cotton center provides greater absorbency
- Available in Sterile (2x2 only) and Non-sterile (2x2, 3x3, and 4x4)
- Autoclavable, leakproof dispensers are available for 2x2 and 4x4 sizes; they come in blue and white

\*2x2 size available in pre-sterilized pouch. See SteriPocket™ for more information.

## COTTON FILLED EXODONTIA SPONGES

# Ready To Go

*As hard as dental professionals work, any effort to make life easier and more efficient is always welcome. That's why Richmond Dental & Medical Steripocket™*

*Sponges continue to be as popular as they are effective. Steripocket™ Sponges are individual, pre-sterilized packets of 2 cotton-filled or 2 rayon/poly non-woven sponges.*

*Easy, economical, and professional, Richmond Dental & Medical Steripocket™ Sponges are always ready when you need them.*

- Available in cotton filled or rayon/poly non-woven
- Perfect for dispensing to patients after an extraction
- Time-saving because assistants do not have to sterilize and package sponges for patients
- Save money because assistants can easily control the number of sponges distributed
- Patients leave office confident that the sponges remain sterile until used
- Cotton-filled sponges provide better absorbency

## STERIPOCKET™

CODE	PRODUCT	DESCRIPTION	PACKAGING	CASE COUNT

# Total Protection: A Comforting Thought

*They are as integral to a dental procedure as the most expensive equipment in the room. After all, you can't work without protection from airborne germs and fluids.*

*Fortunately, our earloop face masks give you just such protection without sacrificing breathability. For added protection, we offer a face mask with an eye protection shield. All Richmond Dental & Medical Face Masks are 100% latex-free, so you don't have to worry about latex reaction.*

- 100% latex-free, including the earloops
- Engineered with 3-ply spunbound fabric that provides comfort, filtration and excellent breathability
- Face mask pleats cover nose, mouth and chin for full protection
- Fiberglass free filter material employs a particle filtration efficiency of +95% at 1.0 micron
- Soft aluminum nosepiece maintains shape when formed to face and is fully enclosed for comfort
- Available in three colors: blue, pink and lavender
- Three types of Richmond Dental & Medical Face Masks are available:
  1. Anti-Fluid – filters materials
  2. Anti-Fluid/Anti-Fog – filters materials and provides a special anti-fog strip that keeps glasses from fogging
  3. Anti-Fluid/Anti-Fog with Shield – filters, keeps glasses from fogging and provides a protective eye shield with an anti-fog/fog-resistant coating

## EARLOOP FACE MASKS

All products must be ordered in full case quantities. Please contact Richmond Dental customer service for information about quantity discounts and product category discounts.

# Superior Quality Reflects Well On You

*These shields are exceptionally popular with both dentists and patients. And it's no wonder: they are uniquely crafted to provide absorption and superior illumination during common procedures. The shields' specially designed heart shape and distinctive reflective film are both innovative and practical.*

- Greater absorbency providing a dry field within seconds
- Added comfort! Special heart shape easily accommodates buccal curvatures and keeps shield in check with the parotid gland
- Unique reflective film allows illumination of the oral cavity
- Durable non-woven absorbent material for moisture retention
- Ideal for various procedures such as sealants, composite fillings, restorations and crown preps
- Available in large and small sizes, 50 per box, and available in a dual pack (25 large, 25 small)

## REFLECTIVE SHIELDS PLUS

CODE	PRODUCT	DESCRIPTION	PACKAGING	CASE COUNT
600700	Reflective Shields	Large reflective moisture abatement pads	50/box	20 boxes
600710	Reflective Shields	Small reflective moisture abatement pads	50/box	20 boxes

All products must be ordered in full case quantities. Please contact Richmond Dental customer service for information about quantity discounts and product category discounts.

# Soft But Dependable

*They are small, but that doesn't keep them from doing their job well. Richmond Dental 100% Cotton Pellets are designed to provide outstanding quality and absorbency in a variety of uses.*

- 100% cotton
- Available in #0 - #5 sizes
- Highly absorbent
- Refills available in sizes #1 - #4
- Chrome tilt-top dispensers available for sizes #1 - #4; they hold one size each
- Plastic temple dispensers for use with sizes #1 - #4; they hold four sizes at a time

Pellets are also available in non-absorbent cotton. Please contact customer service for more information.

# Your First Line of Defense

*Dentist's demand for a hand sanitizer that provides hours of protection from germs without damaging skin has been growing over the past decade. Microdine and Provoderm also contain a FDA registered skin protectant that provides protection against the ravages of latex gloves. Finally, the dental and medical care industry has a product that kills the germs, protects the hands, and provides hours of protection.*

### Microdine

- 6 Hour Persistence\*<sup>1</sup>
- Anti-Microbial Hand Sanitizer
- Kills MRSA\*<sup>2</sup> & C-Diff\*<sup>2</sup>
- Kills 99.99% of Germs
- Gentle & Non-Irritating
- Alcohol & Parabens Free
- Helps prevent and temporarily protects chafed, chapped or cracked skin

### Provoderm

- Kills 99.9% of Germs for up to 3 hours
- Alcohol and Parabens Free
- Revitalizes skin with cold-pressed lemon oil and essential fat soluble Vitamins A,D,E & K
- Helps prevent and temporarily protects chafed, chapped or cracked skin

All products must be ordered in full case quantities. Please contact Richmond Dental customer service for information about quantity discounts and product category discounts.

# FoamEZ™ Simple and Effective

*As hard as dental professionals work, any effort to make life easier and more efficient is always welcome. That's why Richmond Dental & Medical's line of FoamEZ™ products are as popular as they are effective. Easy, economical and professional.*

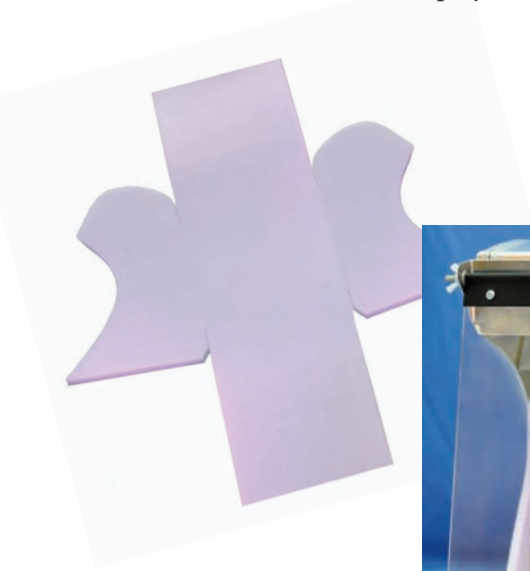

## Mirror Wipe

- FoamEZ™ Mirror Wipe removes fog and debris easily and quickly with one wipe against the mirror
- Eliminates the need to remove mirror from the mouth or turn mirror against (into) the cheek
- Disposable FoamEZ™ Mirror Wipe slides easily onto the syringe
- Application of defogger on the Mirror Wipe prevents fogging during procedures
- Packaged 500 to a bag
- Made in the USA

## Splash Hood Liner

- FoamEZ™ Splash Hood Liner helps keep the Splash Hood clean by covering the inner surface and catching flying debris
- Removal of the FoamEZ™ Splash Hood Liner makes for a fast and easy clean up
- Packaged two to a box
- Made in the USA

THE BEST CARE DESERVES THE BEST PRODUCTS

# TERMS AND CONDITIONS OF SALE

**Pricing:** All products will be invoiced at price prevailing on date of order.

A **minimum order** of \$500.00 required.

**Freight** is prepaid on orders for continental U.S. equal to or in excess of \$1500.00. Richmond reserves the right to implement a fuel surcharge on all prepaid orders if economic/supply conditions so dictate. Orders less than \$1500.00, Canadian orders, International orders are shipped F.O.B. Charlotte, NC.

**Backorders** are invoiced at price in effect on date order was created.

**Payment Terms/Open Account:** Dependent upon approval, payment terms are Net 30 days. Approval for an open account is subject to a review process of a completed credit application. All receivable accounts are subject to random review of payment practices. Accounts consistently paying beyond approved credit terms will be at risk of losing account status.

**Taxes:** It is the responsibility of the customer to provide a copy of their state tax exempt certificate to Richmond Dental & Medical customer service. Taxes will be charged on all orders if tax exempt certificate is not on file.

**Shipping Confirmations:** Discrepancies between quantities shipped and quantities received must be noted on the delivery receipt when merchandise is delivered and delivery receipt is signed. Damaged products should be noted by the same process. Credit will not be issued if delivery receipt is not properly signed.

**Returned Goods:** Richmond Dental & Medical products are sold on a guaranteed sales basis in accordance with the following return goods policy:

1. All returns must be approved by a Richmond Dental & Medical Customer Service Representative. Authorization must be obtained by calling our Customer Service Department, at (800) 277-0377 or email [RDcustsvc@barnhardt.net](mailto:RDcustsvc@barnhardt.net). A returned goods authorization number will be issued.

2. Merchandise approved for return to Richmond Dental & Medical which is in saleable condition will incur a 20% restocking charge.

3. All returns must be shipped prepaid direct to Richmond Dental & Medical, 1100 Hawthorne Lane, Charlotte, NC 28205.

4. Transportation charges must be paid by the customer except when the return is due to error in shipment by Richmond Dental & Medical and customer obtains authorization for the return.

5. The company reserves the right to reduce the amount of credit to reflect special promotions or other discounts.

6. Return quantities will be audited by Richmond Dental & Medical and final credit will be based on Richmond Dental & Medical count.

7. Credit on returned merchandise will be based on original acquisition price (actual invoice price) or current selling price, whichever is lower.

8. Non-returnable merchandise:

- a. Products that cannot be returned: pellets, sterile products, reflective shields.
- b. Merchandise involved in fire, sacrifice, or bankruptcy sales.
- c. Merchandise deteriorated or damaged due to conditions beyond the control of the manufacturer such as improper storage, heat, cold, water, smoke, fire, etc.
- d. Merchandise sold with the specific understanding that it is non-returnable.
- e. Merchandise that is more than one year old.
- f. Merchandise originally sold through other than normal domestic channels of distribution.
